HIGH IN TRIAL & HIGH IN TRIAL COMBINED

Only teams who participate in the same difficulty level in all elements offered (Buried, Container, Exterior, Interior) and qualify in each are eligible to win High in Trial. One High in Trial winner is chosen per level. There is not a separate High in Trial for the Novice A and Novice B Sections. High in Trial is determined by adding the team's faults across the elements. If there is a tie based on the lowest faults, then the teams' times across the elements will be summed and the faster finishing team will win. High in Trial Combined includes the Handler Discrimination element. The High in Trial and High in Trial Combined awards are not recorded by the AKC.

DOGS ELIGIBLE TO ENTER

Dogs who are six (6) months of age or older and are registered with the AKC, have an AKC Limited Registration, have an AKC Canine Partners Listing, have a Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP), or an approved Foundation Stock Service (FSS) breed are eligible to participate. Dogs with a Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP) or AKC Canine Partners Listing must be spayed or neutered in order to compete.

Dogs with physical challenges (including amputees) are eligible to participate provided that, in the opinion of the judge, they display no signs of physical discomfort and can safely complete the search. Dogs with bandages, sutures, or visible wounds are not eligible. Deaf dogs and blind dogs are allowed to enter. Dogs that are both deaf and blind are able to participate so long as the handler is in control of the dog at all times, the dog can complete the requirements of the class, and the dog does not appear to be under undue stress in the opinion of the judge.

Bitches in season MAY NOT participate. A refund of entry fees for bitches that come into season after the closing date/time may be obtained by notifying the Trial Secretary in writing no later than 30 minutes before the start of the trial.

REFUNDS & CANCELLATIONS

No entry fee will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, an act of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee. No entry fee will be refunded in the event a dog is absent, disqualified, excused, or barred from competition by the action of the Trial Committee. Entries withdrawn for any reason, except bitch in season, after closing date are not eligible for a refund.

Cancellation of entries must be in writing and received prior to the stated close of entries. A full refund will be issued except for a \$20 office fee.

EXHIBITOR CHECK-IN, BRIEFING, STAGING, WARM-UP, RUN ORDER

Exhibitors must check in for each trial they have entered. At check-in, exhibitors will receive their armband number.

The Handler's Briefing will take place in view of the search area prior to the start of each class, after the hide(s) have been set, and after the Demo Dog has run. In the Handler's Briefing the judge will explain if there's an off-leash option, number of hides, maximum height of hides, and maximum time for the search. NO DOGS are to be present during the Handler's Briefing.

Staging Area will be out of view of search area(s). Staging area will include crating, warm-up and waiting area, as well as the secretary table for check-ins and posting of running order and results.

The club shall designate a warm-up area. One labelled container per target odor being used in the trial on that day will be placed in the warm-up area. This will allow handler-dog teams to prepare themselves for the search prior to their run. Each team should limit their warm-up to two minutes or less so that others may be able to use the warm-up area as well. Clubs may also place blank containers.

Trials will run Master to Novice. The next level will not start until the previous level has been completed in entirety.

Handlers are required to provide their own scented articles for Handler Discrimination. These include a cotton glove or cotton sock for Novice and cotton balls or cotton swabs for Advanced, Excellent, and Master.

CLASS TRANSFERS

A move-up transfer may be requested if, according to the owner's records, the handler and dog are eligible and the dog has completed the requirements for the title after the closing date/time of the trial in which advanced entry has been made. A move-down transfer may be requested if the owner mistakenly entered the dog in a higher level class for which it is not eligible. A lateral transfer may be requested if the owner mistakenly entered the dog in Novice A and is not eligible. The request for a class transfer must be submitted in writing to the Trial Secretary at least 30 minutes prior to the start of the trial. Transfers will be approved provided there is availability in the class.

SEARCH AREA & CONDITIONS

Search areas may be of any shape and of the size as specified in the Regulations for AKC Scent Work for each class. Searches may be indoors or outdoors on any type of surface, so handlers should be prepared for natural and/or uneven surfaces. Handlers should also be prepared for all potential weather conditions and should understand that searches will be conducted rain or shine unless dangerous conditions are present.

SAFE SPORT

The AKC is committed to creating a safe and respectful sport environment for all. If you need to talk to someone or need help, please call 1-800-656-HOPE (National Sexual Assault hotline) or text HOME to 714-741 for free 24/7 for confidential services from trained crisis counselors.

SITE INFORMATION

Unload/load at the front of the school and park along the street around the school. Please be respectful of surrounding neighbors and churchgoers.

Crating space will be available inside. Crates may be left overnight, however, the Mid Continent Kennel Club of Tulsa and St Catherine Catholic School will not be responsible for any lost or damaged items left at the show site.

It is not appropriate to scout the trial location prior to the trial date. Many search locations are real-life environments and such visits may risk the host losing the opportunity to use the location in the future.

Chapter 5, Section 35 of the Scent Work Regulations states "No person other than those engaged in the administration of a trial shall be in possession of any target odor when on the trial grounds. There shall be no training on the grounds of the AKC Scent Work trial, other than the designated warm-up area".

Dogs must be on leash at all times while on trial grounds except during a search when the judge has approved an off leash option.

Exhibitors are responsible for cleaning up after their dog(s) and will not allow their dog(s) to urinate on the building. Any exhibitor failing to do so may be excused without benefit of refund if the Trial Committee deems the exhibitor to be in violation of this requirement. Cleaning supplies and disposal sites will be available at various locations around the show grounds.

Spectators are encouraged. Any person not handling a dog in the current class or any person who has already completed their run in the class may choose to watch the search. Handlers may not watch other exhibitors in their class prior to their run. No one outside the search area may assist the handler or disclose the location of the hide. Spectators should enter and exit the search area between searches so that they are not a distraction.

NOTICE TO EXHIBITORS

By entering these trials, exhibitors acknowledge that they are familiar with the rules and regulations of this sport and that their dogs are familiar with and able to perform all searches safely. It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the trial committee, be asked to leave the show site. In such case, no refund of any fees paid will be made. The Mid-Continent Kennel Club of Tulsa and its officers, representatives, volunteers, the Event Chairperson/Secretary, Event Committee, and St Catherine Catholic Church assume no responsibilities for any loss, damage or injury sustained by exhibitors or handlers or to any of their dogs or property and further assumes no responsibility for injury to children. The Mid-Continent Kennel Club of Tulsa reserves the right to decline entries for cause and may remove any dog on account of aggression.

During searches, dogs must wear a properly fitted collar or harness. A wearable camera such as a GoPro may be mounted to the dog's harness. Leashes may be of any length and/or retractable.

Exhibitors should follow their veterinarian's recommendation to assure their dogs are free of internal and external parasites, any communicable diseases, and have appropriate vaccinations.

Claims will be arbitrated as set forth on the Official AKC Entry Form for this trial.
